FEATHER FLAGPOLE HARDWARE (T)

Ease of assembly and functionality are what make the Feather Flagpole a superb compliment to the Feather Flag.

The fiberglass pole is suitable for many applications. The 13' x 1/2" base diameter pole is 3pcs while the 17' x 3/4" base diameter pole is 4 sections. Either one comes with fiberglass Ground Stake for mounting the flagpole.

The improved interlocking design makes it virtually impossible to collapse.
