

VIVICHROME NYLON PRINTED TABLECOVERS (P)

Digital Vivichrome versions on page 4

Vivichrome™ tablecovers made from SolorMax 200-denier Nylon are the most economical we offer. Tough, light-weight and brightly dyed, they work well for convention and trade-show booths, marketplace display tables, and are great for recruitment events. The low cost in quantity makes this item popular for in-store promotion and product roll-out events, too.

Each tablecover is carefully hemmed all sides. Available upgrades include side panels for that “fitted” look @\$32.00 per pair, and a 2” sewn edge-border @\$5.00 per running foot. See page 15 for nylon color availability.

Lower quantities with multiple colors are good candidates for Digital Vivichrome process. See page 4
