*Colorfast refers to colors retaining the base colors. Reds will remain red and not become orange. Blues will not fade to purples. Some color lightening and fading due to sun exposure are natural and will not affect the flags' usefulness and is not covered under this guarantee. This guarantee specifically excludes fabric tears and fraying as high winds and high temperatures vary due to climate and location and are beyond Crowdmaster's control. Torn flags have exceeded their useful life and are not covered under this guarantee.
