## SERVICE STAR BANNERS AND FLAGS

In 1918, then President Woodrow Wilson approved a new device that could replace the wearing of a traditional mourning pin for loved ones who have died in the service of our Nation, and also to foster home-front pride for those risking their lives for our freedom. Then known as the Service Flag, we now more descriptively refer to it as the Service Banner.

*We at Crowdmaster are proud to manufacture the Service Banner today, under written permission from the United States Army Department of Heraldry. We consider the honor as great as when we first began making them in 1941. Constructed of white bridal satin, deeply screen printed with crimson and federal blue or metallic gold, these banners today as in the past serve as a reminder of our unity and precious freedom as United States citizens.*

Each satin banner is 8.5" X 14" and comes with pole hem across the top with wooden crossbar and gold cord with tassels. The bottom has 1" flag-gold fringe. Choose from 1 through 5 blue star configurations. Indoor use only.

The flag, with grommets, is 3' X 5' with screen printed crimson border and federal blue star onto a 200 denier nylon bunting that is suitable for indoor or outdoor display. As this style of flag could be used by businesses that have employees currently serving, you can add an applied number below the star to represent that total number currently serving.

The Desk Flag, not pictured, is 4" x 6" and comes stapled to a 10" ebonized plastic staff with gold spear tip. The flag is only available with a single Blue or Gold star. You can add a 1-hole stand for the flag or combined the flag in one of our multiple hole stands listed on page 10.

## SUPPORT OUR TROOPS STREAMERS

Show pride for the men and women that serve our great nation with these two distinctive streamers.

Each are screen dyed and come with reinforced hems and grommet(s) for indoor and/or outdoor display. The smaller streamer, 4" X 45", is designed to be displayed with your residential style United States flag for outdoor display, your parade flag, or for your indoor presentation set. The larger streamer, 12" X 60" is more suited for commercial display on either in-ground, vertical, or outrigger style flagpole displays. You can also hang it on a office lobby wall or conference room.

## POW-MIA FLAGS

Each nylon flag has screen-printed POW-MIA logo and is finished with strong canvas heading and brass grommets. You may choose between the single seal (back reads reverse) or double seal (reads correct from both sides). The light-weight poly flag is dyed.

The 4" X 6" and 8" X 12" desk flags come stapled to ebonized staff with gold spear tip. Optional stands are located on page 10.

The car flag is 2-sided and has plastic window mount. Not meant for sustained highway speeds.
