

NATIONAL DECORATIONS (T)

Our new Heritage Series of patriotic fans, pull-downs, and flags are made of 100% cotton bunting with a special antiquing process. This process makes every single item unique since no two have the same variation or coloration. As a result, with exposure over time, your Heritage product will change and soften to give even a richer and more historic look.

50 Star United States Heritage Series

A truly unique flag, this 3' X 5' size comes with densely embroidered stars, hand sewn stripes, and strong canvas heading with non-rusting brass grommets.

This flag would be well suited for display by anyone who wants an "aged" look.
